Survivors Healing Center will hold the 14th annual Art of Healing, an evening of expressive arts performances as well as a visual arts exhibit. The event commemorates the center's 20 years of helping child sexual abuse survivors in the county.

Expressive arts performances will include original poetry, dance, drama and music, created and performed by survivors of child sexual abuse.

In addition, supporters of Survivor Healing Center are contributing a \$18,000 matching grant to the center. Each donation received between now and Dec. 31, up to \$18,000, will be matched. Donations will support programs to empower childhood sexual-abuse victims, as well as educate and increase awareness in the community.

The Art of Healing performances will be 6:30-9:30 p.m. Nov. 30 at the Pacific Cultural Center.

The visual art exhibit will run Oct. 29-Nov. 30 at the UCSC Women's Center. An artists reception will be 2-4 p.m. Nov. 4, also at the UCSC Women's Center.
